11/04 Ct signs order authorizing psych eval for [REDACTED]. Called and got confirmation from DA [REDACTED] that she had seen questions – she did and agrees.

### 11/04 1:15 Mediation re Dispo

Rec: [REDACTED] = FR to mom, transition to dad over 90 days, FM. FR ordered, CoCo to submit order after hearing. [REDACTED] = FR to pars. Recs adopted.

Discussion with attys: DA wants psych eval of [REDACTED], she is depressed; she still doesn't want to live with dad. Dad feels like he has another fam, would like [REDACTED] to be part of fam. [REDACTED] case is fine, ready to go. For [REDACTED], there was fight betw [REDACTED] and [REDACTED], gma called cops, kicked her out. Might take her back, but [REDACTED] doesn't want to be there. Would like to be with patl gma. It is not clear where [REDACTED] will sleep tonight... Everyone agrees to FR to both pars, psych eval of [REDACTED], 90 day review.

Present: [REDACTED] with SW [REDACTED], [REDACTED] with mom (was present at mediation), [REDACTED] for mom, [REDACTED] with dad J., [REDACTED] with dad [REDACTED], [REDACTED] for kids with [REDACTED].

Ct orders FR for both kids with both sets of pars. Ct orders psych eval for [REDACTED].

Adopted recs for [REDACTED], [REDACTED] to submit recs for [REDACTED].
